

# FELLOWSHIP OF CHRISTIAN ATHLETES INTERNATIONAL REPORT

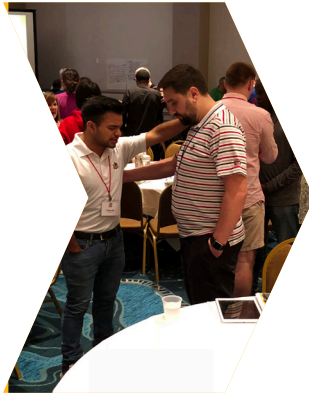

F C A W O R L D . O R G

FCA has expanded from 62 countries into 84 this past year through the faithfulness of 242 international leaders. FCA International started from humble beginnings with five camps reaching 760 competitors in 2007. Over the last 12 years, God has breathed on the international movement, and FCA now has 304 camps reaching over 30,000 coaches and athletes.

The most significant growth has been the Huddle program with growth from 876 to 1,775 groups reaching 35,018 attendees. We desire to engage, equip and empower coaches and athletes by developing small groups in local communities. Transformation happens when coaches and athletes circle up and connect while studying God's Word. They go further and faster together!

FCA's vision is to reach every coach, every athlete, every team and every community in every country! The Gospel is spreading throughout the whole world and bearing fruit.
